10 HORROR-FYING TITLES TO CATCH ON iFLIX THIS HALLOWEEN

Halloween is just around the corner, and iflix has curated a frightening selection of everyone's favourite heart stopping, nail biting and scream inducing TV shows and movies to get you in the ghoulish spirit!

Here are our top 10 Halloween picks of film and television's most terrifying classics and all new hit favourites for Malaysia's biggest horrorphiles:

10. *Child's Play*

Child's Play is the all time Halloween classic story featuring notorious serial killer Charles Lee Ray, aka The Lakeshore Strangler, who's murderous crime spree seems to come to a violent end when he is gunned down by Detective Mike Norris. However the dying murderer Ray uses black magic to put his soul inside a doll named Chucky – which Karen Barclay then buys for her young son, Andy. When Chucky kills Andy's babysitter, the boy realizes the doll is alive and tries to warn people, but he's institutionalized. Now Karen must convince the detective of the homicidal doll's intentions before Andy becomes Chucky's next victim.

9. *American Horror Story*

American Horror Story is the anthology horror television series that continues to unravel audiences with an all-new disturbing and haunting tale each season. Season 1 begins by exploring a subversive modern horror tale via the story of the Harmons, a family of three who move from Boston to Los Angeles as a means to reconcile past anguish. What the Harmons don't know is that the house they've moved into is haunted by demonic creatures. In Season 2, *American Horror Story: Asylum*, a dark story unfolds in a Church-run haven for the criminally insane, ruled with an iron fist by Sister Jude, a nun with a troubled past. Inside this locked down facility, danger lurks around every corner. In Season 3, *American Horror Story: Coven*, the secret history of witches and witchcraft in America is exposed. Mysterious attacks have been escalating against their kind and young girls are being sent away to a special school in New Orleans to learn how to protect themselves.

8. Friday the 13th

The 2009 re-boot of the original slasher classic, *Friday the 13th* is the twelfth installment of the franchise introducing hockey-masked killer Jason to a whole new generation of victims! Against the advice of locals and police, Clay scours the eerie woods surrounding Crystal Lake for his missing sister. But the rotting cabins of an abandoned summer camp are not thing only things he finds. Legendary serial killer, Jason Voorhees lies in wait fro a chance to use his razor-sharp machete on Clay and the group of college students who have come to the forest to party.

7. Penny Dreadful

British American horror drama, *Penny Dreadful*, is a dark psychological thriller filled with intense mystery and suspense, where personal demons from the past can be stronger than vampires, evil spirits and immortal beasts. Featuring literature's most terrifying characters, including Dr. Frankenstein and his monster, Dorian Gray, and iconic figures from the novel Dracula, all lurking in Victorian London, they are joined by a core of original characters in a complex, frightening new narrative.

6. Paranormal Activity 2

Even more terrifying than the first installment, supernatural horror film *Paranormal Activity*, broke the record for biggest opening for a horror film of all time. When the Reys move into their new Southern California home, little do they realize that the house is already occupied. After coming home one day to find the house in disarray but no sign of forced entry or robbery – they install a video surveillance system to catch the perpetrators, but nothing prepares them for what happens next.

5. The Omen

The 2006 remake of the 1976 horror classic of the same name, *The Omen* is just a terrifying as its predecessor. A new age of evil threatens to arise when an American diplomat and his wife learn that the child they adopted may literally be (read: IS) the devil incarnate. Mystical signs point to the Antichrist's coming battle for dominion over heaven and earth.

4. 28 Weeks Later

This post-apocalyptic science fiction horror film, *28 Weeks Later* is structured as a sequel to one of the greatest zombie films of all time, *28 Days Later* (also on iflix!). Six months after the original epidemic, the rage virus has all but annihilated the population of the British Isles. Nevertheless the U.S. Army declares the danger past, and American soldiers arrive to restore order and begin reconstruction. Refugees return to British soil, but one of them carries a deadly secret: The virus is not gone and is even more dangerous than before.

3. Sleepy Hollow

The legendary haunting tale of Ichabod Crane comes to life in *Sleepy Hollow*, this supernatural modern day adaptation of the 1820 Halloween short story. Crane awakes from the throes of death 250 years in the future where he must solve a mystery dating back to the founding fathers. Due to a blood spell cast on a battlefield during the Revolution, the infamous headless horseman is revived along with Crane, and the murderous rider embarks on a bloody rampage in present day Sleepy Hollow. Ichabod realizes that he must act quickly, for the headless horseman is only the first of the Four Horsemen of the Apocalypse. Detective Abbie Mills, forms a bond with Crane as they try to stop an increasingly vicious cycle of evil.

2. Bedlam

Bedlam is the ghostly supernatural drama series, welcomes you to Bedlam Heights – a hip, newly renovated apartment building with sexy tenants and stylish décor. But behind its façade, lie unimaginable horrors. The conversion of Bedlam Heights from a former insane asylum has awakened the ghosts of its dark and violent past. These spirits wish to reclaim what's theirs and seek revenge on those who have wronged them. In the second season, the horror and drama returns as the restless spirits of Bedlam wreak their terrible revenge on unsuspecting new inhabitants. As residents continue to be terrorized by the asylum's dark past, they soon realize whatever is waiting for them is worse than anything they could have ever imagined.

1. Silent Hill: Revelation

Adaptation of the Japanese horror franchise of the same name, *Silent Hill: Revelation* is a

psychological horror film focusing on the survival horror video game. For many years, Heather Mason and her father, Harry have been on the run from dangerous forces she does not understand. Heather continues to be plagued by terrifying nightmares and frightened by her father's disappearance. On the eve of her 18th birthday, she discovers she is not who she thinks she is. The revelation leads her deep into the demonic world of Silent Hill, where she may become trapped forever.
