

FOR IMMEDIATE RELEASE**AQUARIUS PREMIERES IN MALAYSIA EXCLUSIVELY ON iFLIX**

KUALA LUMPUR, 16 December 2015 – iflix, Southeast Asia's leading Internet TV service, offering subscribers unlimited access to tens of thousands of hours of entertainment for a low monthly price, is pleased to announce it has acquired exclusive rights in Malaysia, the Philippines and Thailand for the breakout hit crime drama *Aquarius* from ITV Studios Global Entertainment. Available for the first time in Southeast Asia, iflix subscribers are now able to binge on all 13-episodes of the incredible first season.

Aquarius stars Golden Globe-winner David Duchovny as Detective Sam Hodiak, a seasoned homicide detective whose investigations dovetail with the activities of infamous real-life cult leader, Charles Manson. Set in 1960's Los Angeles, this edgy, addictive and visually stunning primetime drama takes place in the years before Manson masterminded the most notorious killings of an entire generation.

A small-time but charismatic leader, Manson has big plans, and has begun to recruit vulnerable young people to join his cause. Teaming up with a young cop who will help him infiltrate Manson's circle, Detective Hodiak delves deeper into a sinister web of manipulation, murder and corruption. But amid a wave of anti-establishment counterculture, his provocative investigative style has far-reaching consequences, and as Hodiak sees his life start to unravel, the lives of others are in grave danger. *Aquarius* is a Tomorrow Studios production.

Iflix Group CEO Mark Britt commented: "We are thrilled to add *Aquarius* to our growing library of first run exclusives, and premiere the show in Asia exclusively on iflix, as part of the tens of thousands of hours of the world's best TV shows and movies we currently offer."
