WORLDWIDE SMASH HIT, MR ROBOT, RETURNS EXCLUSIVELY ON IFLIX

Fast tracked from the U.S. – The highly anticipated second season of Mr. Robot is now available in Southeast Asia, exclusively on iflix

KUALA LUMPUR, 20 July 2016 – iflix, the leading Internet TV service in the region, offering subscribers unlimited access to tens of thousands of hours of TV shows and movies, is pleased to announce it has acquired exclusive rights in Southeast Asia to the second season of the critically acclaimed, global phenomenon, *Mr. Robot*. Fast tracked from the U.S., new episodes will premiere every Thursday on iflix, within 24-hours of the initial U.S. broadcast.

In its first season, the drama series garnered numerous accolades and awards, including the Golden Globe® for “Best TV Drama” and a Peabody Award. *Mr. Robot* follows Elliot Alderson (Golden Globe® nominee Rami Malek), a young cyber-security engineer who becomes involved in the underground hacker group fsociety after being recruited by their mysterious leader (Golden Globe® winner Christian Slater). Following the events of fsociety’s 5/9 hack on multi-national conglomerate Evil Corp, the second season explores the consequences of that attack as well as the illusion of control.

Season 2 of *Mr. Robot* joins iflix’s growing library of first run exclusives including the show’s critically lauded first season, every season of award-winning crime drama *Fargo*, new breakout fantasy series *The Magicians*, *Aquarius* and many more.

iflix Group Chief Content Officer, James Bridges commented: “We are thrilled to bring this latest instalment of *Mr. Robot*, one of the world’s most exciting and compelling series, exclusively to our markets. The multi-award-winning first season was one of Southeast Asia’s most talked about shows of 2015. It is another example of our passion for seeking out and delivering the best content
