## **FREE DATA FOR INDOSAT OOREDOO CUSTOMERS TO ENJOY IFLIX**

*Indosat subscribers with the Freedom Combo plan now get up to 10GB of data to stream and download their favourite TV shows and movies on iflix, at no additional cost*

**Jakarta, 29 September 2016** – iflix, the world's leading Internet TV service for emerging markets, offering subscribers unlimited access to tens of thousands of TV shows, movies and more, today announced that in collaboration with Indosat Ooredoo ('Indosat'), Indosat subscribers are now eligible to receive up to 10GB of data to stream and download their favourite programs from iflix's vast library, to enjoy with their bundled iflix subscriptions, all compliments of Indosat.

This latest offer represents a deepening of the relationship between the companies who announced their partnership in April to offer Indosat premium mobile and fiber broadband (GIG) customers unlimited access to iflix's world class service, seamlessly bundled with their existing subscriptions, sponsored by Indosat.

Indosat customers with the Freedom Combo plan can now watch their favourite movies and TV shows on iflix without having to worrying about their data quotas. Prepaid subscribers will receive up to 5GB of free data to stream free, whilst postpaid subscribers will receive up to 10GB.

Cam Walker, CEO of iflix Indonesia commented: "We are thrilled to take our landmark collaboration with Indosat, one of the region's telecommunications giants, one step further. Since launching our partnership earlier this year, offering unlimited access to Indosat premium mobile and fiber broadband (GIG) customers, more and more Indonesians are joining the entertainment revolution. We can't bring wait to bring iflix to the devices of more Indosat consumers across the nation."

Now available in Malaysia, Thailand, the Philippines, Indonesia, Sri Lanka and Brunei, iflix will continue to roll out its world-class service to key additional emerging markets in the coming months. Offering consumers a vast library of top Hollywood, Asian regional, and local TV shows and movies including many first run exclusives and award winning programs, each subscription allows users to access the service on up to five devices, including phones, laptops, tablets, and television sets, for viewing wherever, whenever.
