Kuala Lumpur, 27 October 2016 – iflix, the world’s leading Internet TV service for emerging markets, offering subscribers unlimited access to thousands of TV shows, movies and more, is pleased to announce the exclusive premiere of hugely successful mystery drama thriller *And Then There Were None*, now available for the first time in Malaysia.

The miniseries is based on Agatha Christie's *And Then There Were None*, one of the best-selling crime novels of all time with 100 million copies sold worldwide. Set in 1939 while Europe teeters on the brink of war, *And Then There Were None* follows ten strangers with dubious pasts who are lured to Soldier Island, an isolated rock near the Devon coast in southern England. Cut off from the mainland, with their hosts mysteriously absent, they are each accused of a terrible crime, and when members of the party start to mysteriously die, they all realize they may be harboring a murderer among their number. Who will survive? And who is the killer?

The hit murder mystery joins iflix's exceptional library of popular and highly acclaimed exclusives, including the worldwide smash hit *Mr. Robot* and the award-winning crime drama *Fargo*, new breakout fantasy series *The Magicians*, drama *Aquarius*, acclaimed satire *UnReal* and many more.
