

**FOR IMMEDIATE RELEASE**

**CATCH THE FIRST INSTALLMENT OF THE HIT HORROR ANTHOLOGY SERIES *CHANNEL ZERO: CANDLE COVE* EXCLUSIVELY ON IFLIX**

**Kuala Lumpur, 22 November 2016** – iflix, Southeast Asia’s leading Internet TV service, is thrilled to premiere the first installment of Syfy’s acclaimed horror anthology series *Channel Zero* in Malaysia. Beginning November 17<sup>th</sup>, all six-episodes of the entire first season, *Candle Cove*, will be available exclusively to iflix members to download and binge watch.

Produced by Universal Cable Productions, *Channel Zero: Candle Cove*, is based on Kris Straub’s chilling “creepypasta” short story that gained notoriety online. It centers on one man’s obsessive recollection of a mysterious children’s television program from the 1980s – and his ever-growing, dreadful suspicions about the role it might have played in a series of nightmarish and deadly events from his childhood.

Mike Painter (Paul Schneider, *Parks and Recreation*) returns to the hometown he left as a kid only to relive the happenings of years ago when his brother was one of five children murdered in a case that was never solved. Painter’s trauma brings with him memories of a bizarre and hypnotic children’s television program, filled with frightening puppets and

foreboding instructions. But when children from the town begin to go missing once more, Mike finds himself at the center of the mystery, with dark secrets and unexplained happenings all linked to the show, *Candle Cove*.

iflix Group Chief Content Officer, James Bridges, commented: "Critics are raving about the new horror anthology series *Channel Zero*. We are incredibly excited to make all six episodes of the heart-stopping, terrifying first season, *Candle Cove*, available exclusively to our members in Malaysia. *Channel Zero: Candle Cove* delivers a legitimately gripping tale of terror through its eerie and unsettling imagery and masterful story telling."

Now available in Malaysia, Thailand, the Philippines, Indonesia, Sri Lanka, the Maldives and Brunei, iflix will continue to roll out its world-class service to additional emerging markets globally in the coming months. Offering consumers a vast library of top Hollywood, Asian regional, and local TV shows and movies including many first run exclusives and award winning programs, iflix is the first service of its kind. Each subscription allows users to access the service on up to five devices, including phones, laptops, tablets, and television sets, for viewing wherever, whenever. iflix subscribers can also download TV shows and movies from iflix's extensive catalogue for offline viewing.

For new subscribers, iflix offers a complimentary 30-day trial with full access to its world-class service, features and content. Go to [www.iflix.com](http://www.iflix.com) to register.
