

FOR IMMEDIATE RELEASE

**COMPLETE FIRST SEASON OF SENSATIONAL DRAMA THRILLER,
AFTERMATH, NOW AVAILABLE ONLY ON IFLIX**

Kuala Lumpur, December 22, 2016 – iflix, the world's leading Internet TV service for Southeast Asia, offering subscribers unlimited access to thousands of TV shows, movies and more, is thrilled to premiere its latest science fiction drama, *Aftermath*, available only on iflix. From today, subscribers in Southeast Asia can now stream and download all 13 episodes of the complete first season, just 24 hours after the season finale in the United States.

Created by Glenn Davis and William Laurin, the post-apocalyptic series follows the Copeland family as they embark on a cross-country exodus for survival. Along the way, Karen (Anne Heche – *Hung*, *Men in Trees*), Joshua (James Tupper – *Revenge*, *Grey's Anatomy*) and their three teenage children encounter terrifying supernatural creatures and unprecedented disasters, including massive storms, earthquakes, meteor strikes, plagues and the rapid decline of civilization. Driven to the edge, the Copelands must fight to stay together as they endeavor to make it through to the mysterious next phase.

Aftermath joins iflix's exceptional library of popular and highly acclaimed exclusives, including the worldwide smash hit *Mr. Robot*, the award-winning crime drama *Fargo*, terrifying new series *Channel Zero: Candle Cove*, hit murder mystery *And Then There Were None*, new breakout fantasy series *The Magicians*, drama *Aquarius*, and many more.

iflix Group Chief Content Officer, James Bridges, commented: "Fast-tracked from its season finale in the United States, we're excited to premiere another first-run exclusive to our members across Southeast Asia. Fans of post-apocalyptic TV are in for a treat as *Aftermath* takes them on a wild journey with natural disasters and supernatural creatures at every turn."

Now available in Malaysia, the Philippines, Thailand, Indonesia, Sri Lanka, Brunei, and the Maldives, iflix will continue to roll out its world-class service to key additional emerging markets in the coming months. Offering consumers, a vast library of top Hollywood, Asian regional, and local TV shows and movies including many first run exclusives and award-winning programs, each subscription allows users to access the service on up to five devices, including phones, laptops, tablets, and television sets, for viewing wherever, whenever. iflix subscribers can also download TV shows and movies from iflix's extensive catalogue for offline viewing. The service is priced at only RM 8 per month in Malaysia for unlimited access with no ads!
