*' Fargo ' returns with its third installment, an all-new "true crime" tale starring
Emmy® & Golden Globe® nominee Ewan McGregor in a dual role*

KUALA LUMPUR, April 21, 2017 – iflix, the world's leading Subscription Video on Demand (SVoD) service for emerging markets has acquired exclusive rights in Malaysia, Philippines, Thailand, Indonesia, Brunei, Sri Lanka, the Maldives, Pakistan, Vietnam, Myanmar, Southeast Asia for the third installment of the critically-acclaimed series *Fargo*. The season three premiere of the award-winning limited series is now available to stream or download, with subsequent episodes every Thursday, available exclusively on iflix.

Set in 2010, the third installment of *Fargo* centers on "Emmit" and his slightly younger brother "Ray Stussy" (Ewan McGregor). Emmit, the Parking Lot King of Minnesota, sees himself as an American success story, whereas Ray is more of a cautionary tale. Forever living in his more successful brother's shadow, Ray is a balding and pot-bellied parole officer with a huge chip on his shoulder about the hand he's been dealt – and he blames his brother. Their sibling rivalry follows a twisted path that begins with petty theft but soon leads to murder, mobsters and cut-throat competitive bridge. Carrie Coon stars as "Gloria Burgle," the steady chief of the local police department. A newly divorced mother, Gloria is trying to understand the new world around her, where people connect more intimately with their phones than with the people around them. Mary Elizabeth Winstead stars as Ray's girlfriend, "Nikki Swango," a crafty and alluring recent parolee with a passion for competitive bridge. David Thewlis stars as "V.M. Varga," a mysterious loner and true capitalist who delivers Emmit the bad news that the Parking Lot King of Minnesota has just become partners with his employers, whose business interests lay outside the law.

Fargo hails from Peabody, Golden Globe® and Emmy® award-winning Executive Producers Noah Hawley (also the program's Creator/Showrunner/Writer/Director), Joel and Ethan Coen, Warren Littlefield and John Cameron.
