

EXCLUSIVELY ON IFLIX – CHANNEL ZERO: THE DREAM DOOR

SYFY's Acclaimed Horror Anthology

BANGKOK – October 26, 2018 – Halloween's about to get a lot spookier on iflix with the addition of the fourth instalment of *Channel Zero's* critically acclaimed horror anthology - *The Dream Door* – direct from the U.S.

Channel Zero: The Dream Door is set to continue the anthology series' reign of terror beginning with the premiere on October 27 on iflixVIP, followed by one new episode dropping daily, culminating with the finale on Halloween night (October 31). New customers can watch *Channel Zero: The Dream Door* during their 30 day iflixVIP trial period, while existing iflixFREE users can upgrade for a very low fee of 100baht per month.

Each instalment of the series draws inspiration from a different “creepypasta” (user-generated horror stories published online). Based on the “creepypasta” short story “Hidden Door” by Charlotte Bywater, *Channel Zero: The Dream Door* follows newlyweds Jillian and Tom, who have each brought secrets into their marriage. When they discover a strange door in their basement, those secrets start to threaten their relationship...and their lives.
