

FOR IMMEDIATE RELEASE

“SCANDAL MAKERS 2018” – THE VIET REMAKE NOW ON IFLIX

Funny, heart-warming and different

Hanoi, October 01, 2018 – [iflix](#), the world's leading entertainment service for emerging markets, today announced that *Scandal Makers 2018* – the Vietnamese-remake of the very popular Korean movie of the same name is now available on iflix. From today, iflix users in Vietnam can watch this much-awaited movie online or download to watch later - for free.

Scandal Makers 2018 is about a charming emcee, Son Huy played by Trinh Thang Binh. Son Huy lives a life everybody dreams of – an exciting career on the rise, a glamorous house and a very sexy girlfriend One day, a young girl called My Tran played by Kieu Trinh appears out of the blue with her son, claiming to be his daughter. At first reluctant to give up his fast and flashy lifestyle, Son Huy slowly steps up to his role as a father and grandfather. The movie follows his journey as he discovers the significance of family.

Even though a remake, *Scandal Makers 2018* stays true to the original movie with elements of humour and drama. Under the expertise and guidance of local director Vo Thanh Hoa and scriptwriter Huynh Lap, the Vietnamese version includes subtle changes that make this remake that much more localized.

Scandal Makers 2018 is now the most anticipated Viet movie on iflix this month, along with *My Sassy Girl*, *Chi Pheo's Other Stories* and *Love...*. This stays true to iflix's mission to give its users the highest-quality entertainment values.

Ms. Ha Dang – iflix Vietnam's Marketing Manager, shared: “We are thrilled to add well-known local titles like *Scandal Makers 2018* to iflix. We remain committed to adding locally-produced content to our already massive collection so that iflix users can enjoy and appreciate the Vietnamese movie industry.”

Now available to over one billion consumers throughout Asia, the Middle East and Africa, iflix has established itself as the clear market leader in video streaming. Offering consumers a vast library of top Hollywood, regional, and local TV shows and movies, including many first run exclusives and award-winning programs, each subscription allows users to access the service

on up to five devices, including phones, laptops, tablets, and television sets, for viewing wherever, whenever.
