IFLIX DELIVERS THE FLASH SEASON 5 EXPRESS FROM WARNER BROS. TELEVISION IN THE U.S.

The Fastest Man Alive Races in with New Episodes weekly

KUALA LUMPUR – October 16, 2018 – Look out, DC Superhero Fans! Barry Allen (a.k.a. The Flash) is making his way to iflix! Running straight from the U.S. screens into your hands, the highly-anticipated series from Warner Bros. International Television Distribution is now available within 24 hours of its U.S. debut for iflixVIP users.

In season five, Barry Allen (Grant Gustin) and his new wife, Iris (Candice Patton) are surprised by the arrival of Nora West-Allen (Jessica Parker Kennedy), their speedster daughter from the future. Turning their lives upside down, her arrival brings to light the legacy of every member of Team Flash. While they rally to find a way to return her to her own time, they also discover her presence has altered the timeline and brought the early arrival of the most ruthless, vicious and relentless villain the Team has ever faced: Cicada (Chris Klein).

One of iflix's most popular television shows, *The Flash*, from Berlanti Productions in association with Warner Bros. Television, is part of iflix's extensive library of popular international titles fast-tracked from the US including critically-acclaimed *Mr. Robot*, brand-new hit comedy *The Good Place S3*, horror anthologies *Channel Zero: The Dream Door* and *Midnight Texas S2* – all available on iflix this month.

"We are thrilled to give iflix users front row seats to such fast-paced action. This underpins our commitment to provide our users with the latest episodes of the world's most popular shows along with the best local and regional titles available." Diana Boo, Country Manager for iflix Malaysia and Brunei.

Now available to over one billion consumers throughout Asia, the Middle East and Africa, iflix has established itself as the clear market leader in video streaming. Offering consumers a vast library of top Hollywood, regional, and local TV shows and movies, including many first run exclusives and award-winning programs, and now news, each subscription allows users to
