

**FOR IMMEDIATE RELEASE**

## **LIVE TO BINGE-WATCH ANOTHER DAY**

*All 23 Episodes of Arrow Season 6 are Now on iflix*

**COLOMBO – November 19, 2018** – \*Spoiler alert\* Saying that *Arrow* Season 5 ended with a bang would be an understatement. Season 6 sees the city and surviving members of Team Arrow (Who? Shh, we're not telling!) dealing with the aftermath of the big Lian Yu explosion. In the midst of all the chaos, we also see a shift in Oliver (Stephen Amell) as he struggles to balance being a Mayor, a father and of course, the moody superhero, Green Arrow. Only one cycle behind the U.S. and dubbed as one of the most pivotal seasons yet, *Arrow* Season 6 drops on iflixVIP today as a box set with 23 action-packed episodes for your binge-watching pleasure.

"Arrow is a favourite of comic and TV fans around the world and we are thrilled to continue dishing out the action with our continued partnership with Warner Bros. Our box sets not only cater to the hardcore binge habits of our users but also allows families and friends quality time together. So, go nuts! More awesomeness is coming your way," said **Shadwell Weerasinghe**, Country Manager for iflix Sri Lanka and The Maldives.

Now available to over one billion consumers throughout Asia, the Middle East and Africa, iflix has established itself as the clear market leader in video streaming. Offering consumers a vast library of top Hollywood, regional, and local TV shows and movies, including many first run exclusives and award-winning programs, and now news, each subscription allows users to access the service on up to five devices, including phones, laptops, tablets, and even television, making it truly "Your Entertainment, Your Terms."
